Reviews

It is one of the most popular pdf. It really is full of knowledge and wisdom. It has been developed in an exceptionally easy way and it is just right after I finished reading through this publication by which it really altered me, altered the way in my opinion.

GROUNDWOOD BOOKS, Canada, 2005. Paperback. Book Condition: New. Reprint. 185 x 119 mm. Language: English . Brand New Book. Travis lives in a trailer park outside a small prairie town with his aunt, uncle, and a pack of rowdy little cousins. His mother, a country-and-western singer, is on the road a lot; his father is long gone. When things get crazy at his place he can always go visit his best friend, Chantelle, a smart disabled girl. Travis doesn't mind being poor and having strange relatives. But he knows he's different from his junior high classmates in other ways, too. He loves to sew and play with puppets. He wants to become a professional puppeteer. These interests make Travis a ripe target for Shon and his friends, the school bullies. As ninth grade graduation approaches and Travis and his friends (including Shon's girlfriend) create a puppet production of *A Midsummer Night's Dream*, the taunts and schoolyard ambushes escalate until Shon's anger, jealousy, and prejudice erupt in violence. This touching story of the trials and tribulations of adolescence resonates with young adult readers.
