

Power to Grow Beyond Yourself

By Robert A. Schuller

Orient Paperbacks, New Delhi, India. Softcover. Book Condition: New. You can revitalize your life and grow beyond yourself. Robert A. Schuller tells you how. Far better it is to dare mighty things, to win glorious triumphs, even though checkered by failure, than to take rank with those who neither enjoy much nor suffer much, because they live in the grey twilight that knows not victory nor defeat. It's not a question of being better than someone else. Excellence demands that you be better than yourself. Develop your own style. No one has had the life experiences you have had; no one has the contributions to make that you can make. Some people are outgoing, while others are introspective. Some are thinkers rather than doers. Some are leaders; some are followers. But whatever category you are in, right now you can make that single, deliberate decision to move towards a life of excellence and grow beyond yourself. Printed Pages: 192.

This pdf is wonderful. It is definitely simplified but excitement from the 50 percent in the ebook. You won't sense monotony at any time of your time (that's what catalogues are for relating to should you request me).
