A little bit of this town goes a very long way. Hunter S. Thompson The Millennium Hotel and Casino in Las Vegas has a problem. Since opening four months ago, nine guests have died and hundreds of employees have simply just.vanished. Naturally, Alex Cheradon is on the case. Now it s six weeks later and things have gotten a little.worse. Instead of finding out what happened to the guests that got them killed or where the missing employees have gone off to, Alex has been caught up with werewolves, vampires, and a helicopter explosion that took out several rooms on the Millennium s upper floors. What simply started out as a publicity nightmare has turned into genuine disaster. Now the hotel is empty, shut down and unlikely to ever open its doors again. And, of course, nobody still knows what happened to those nine guests and hundreds of employees, how to fix it, or how to make sure it doesn t happen again. Needless to say, from this point on, it s only going to get worse. Alex Cheradon Volume 3 concludes here. Hopefully he survives long enough to get a fourth volume.
