Titan Books Ltd. Paperback. Book Condition: new. BRAND NEW, Snoopy, Charles M. Schulz, America's most beloved comic strip, "Peanuts," is now a major motion picture produced by Blue Sky Studios. Now you can collect the first ten original comic strip collections, published by Titan Comics! This book is a facsimile edition of the fifth Peanuts collection originally published back in 1958 by the Clarke, Irwin & Company, Ltd of Toronto, Canada. This collection of 248 daily Peanuts newspaper strips that appeared between 1955 -1958 focuses on, perhaps the most famous character in the Peanuts universe, Charlie Brown's Beagle, Snoopy. Whether he's chasing snow flakes, doing impersonations or just dancing his world famous happy jig, things are always going to a little sillier when Snoopy's around. The strip's bitter-sweet humour and child-like innocence helped to cement the Peanuts comic strip's popularity and secure its reputation as a true, one-of-a-kind, timeless classic."
