Createspace, United States, 2015. Paperback. Book Condition: New. Liam Charbonneau (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Do you know every nook and cranny of your neighborhood? How about UNDER your neighborhood? Do you let your kids walk home from school? It's just a few blocks, right? What lurks in the shadows? In the bushes? Or scarier yet, under the bushes? Or is it all just happy-go-lucky Huckleberry Finn and exploring and adventuring in your own neighborhood? When do you know the difference? Maybe your kids know. Maybe they don't. How will you learn? It began as a simple walk home, the same one we did every day after school. But our dog's ball went into something of a hole, or was it a cave? Maybe a tunnel. But are there tunnels in the city? The ball was pretty close to the entrance, but just far enough to be a little spooky. Should we just forget it? **WARNING TO PARENTS:** there are some questionable parenting decisions in this book. It is not intended as a parenting handbook. There's a fine line between making the right decision and making the fun decision. When to choose which? How much do you involve your children in daily decisions? What if they involve danger? But what if your kids think it might be fun? You get the idea. Maybe I need a disclaimer .;-) You know in scary movies when you yell, Don't go in there! We went in. Yeah, I know. Ask your 8-year old why.
