

The Secret Goldfish

By David Means

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, The Secret Goldfish, David Means, An extraordinary collection of short stories from an author who is set to become one of America's leading literary voices. In the tradition of Raymond Carver or Tobias Wolff, these are all-encompassing stories of the American psyche, of love and loss and of the landscape and its people. A goldfish circles in its bowl, refusing to die, becoming the silent focus of a difficult family life; a pianist loses his talents as he is forced to question the meaning of love and commitment. Through a blend of lyricism and humour, these stories of ordinary human dilemmas take flight and become mythical and universal. David Means is a rare writer who transports us to the heart of what it is to be human.
