Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

GLOSSODELIA ATTRACT (PREVERBS)

[DOWNLOAD](#)

Barrytown Limited, United States, 2015. Paperback. Book Condition: New. 226 x 154 mm. Language: English . Brand New Book. Poetry. If William Blake s Proverbs of Hell are poetry, then George Quasha s preverbs are like a close cousin. Its core question is: can poetry say the unsayable? Preverbs wonder: what is poetry? A well established poetic tradition both modern and post- modern some call it experimental starts its poetics with: poetry is not what you think it is. Its work is journeying inside language, as if passing through a distant country or else another reality. It conveys news of alternate dimensions showing through in the here-and-now, embedded inside our everyday thoughts and speaking. Words say too much to let you know the truth. George Quasha s torqued, enigmatic preverbs create unlikely balances among discrepant engagements. The vectors of these marvelous poems work at cross purposes, keeping each other aloft. These are sparkling aphoristic aporias for a new age in an old time. Poetry, says Quasha, resists immortality with difficulty. And also with wit and charm. Be here now, in which case immortality will take care of itself. Charles Bernstein.
