Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Alexei Maximovich Peshkov, primarily known as Maxim Gorky, was a Russian and Soviet writer, a founder of the socialist realism literary method and a political activist. Around fifteen years before success as a writer, he frequently changed jobs and roamed across the Russian Empire; these experiences would later influence his writing. Gorky s most famous works were *The Lower Depths*, *Twenty-six Men and a Girl* (included in this book), *The Song of the Stormy Petrel*, *The Mother*, *Summerfolk* and *Children of the Sun*. He had an association with fellow Russian writers Leo Tolstoy and Anton Chekhov; Gorky would later write his memoirs on both of them. Gorky was active with the emerging Marxist social-democratic movement. He publicly opposed the Tsarist regime, and for a time closely associated himself with Vladimir Lenin and Alexander Bogdanov s Bolshevik wing of the party. For a significant part of his life, he was exiled from Russia and later the Soviet Union. In 1932, he returned to Russia on Joseph Stalin s personal invitation and died in June 1936.
