

Planet Banksy: The Man, His Work and the Movement He Inspired

Filesize: 4 MB

Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

PLANET BANKSY: THE MAN, HIS WORK AND THE MOVEMENT HE INSPIRED

Michael O'Mara Books Ltd. Hardback. Book Condition: new. BRAND NEW, Planet Banksy: The Man, His Work and the Movement He Inspired, Alan Ket, Banksy is the world's foremost graffiti artist, his work adorning streets, walls and bridges across nations and continents. His stencil designs are instantly recognizable and disturbingly precise in their social and political commentary, flavoured with subtle humour and self-awareness. More popular than ever, Banksy has spawned countless imitators, students and fans alike, his fame - although unlooked-for - inevitably transmitting his ideas and work to the international arena. Highlighting both the relevance of Banksy's work and how his impact has continued to spread, Planet Banksy brings together some of the very best pieces of art from all corners of the world that have been inspired by Banksy, as well as featuring some of his own innovative, profound and controversial work. With a range of topics for the graffiti coming from a variety of inspirational sources, this book provides an overview of how the man's work is changing the face of modern art - as well as the urban landscape. Distilling his influence and his genius into an easily accessible full-colour 128 pages, this is the perfect purchase for any fan of Banksy or the graffiti art scene.
