The elf, Lestel, uncovers a deadly secret. His daughters, Anya and Astrid, are destined for great and terrible things. Evanna, his wife, the queen of Alainia, is destined for doom. And Merrick, a low Sage from the Great Desert, may be the only one able to save their bloodline from the waking shadow and ravenous Phooka. For now. The Shadows of Time series begins at the end, in a twisted and wicked future. Only the stories of the past can stir the mind of the Shadow Maiden, Death's right hand, into action. Only she can loosen the chains of time. If only she can remember her name.
