Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE HIGH SCHOOL READER: AUTHORIZED FOR USE IN THE PUBLIC AND HIGH SCHOOLS AND COLLEGIATE INSTITUTES OF ONTARIO BY THE DEPARTMENT OF EDUCATION (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The High School Reader: Authorized for Use in the Public and High Schools and Collegiate Institutes of Ontario by the Department of Education The selections of the Reader have been chosen with the belief that to pupils of such advancement as it required for entrance into High Schools and Collegiate Institutes, oral reading should be taught from the best literature, inasmuch as it not only affords a wide range of thought and sentiment, but it also demands for its appropriate vocal interpretation such powers of sympathy and appreciation as are developed only by culture; and it is to impart culture that these institutions of higher learning have been established. Experience has shown that it is from their ordinary reading books that pupils obtain their chief practical acquaintance with literature, and the selections here presented have been made with this in remembrance. They have been taken from the writings of authors of acknowledged representative character; and they have been arranged for the most part chronologically, so that pupils may unconsciously obtain some little insight into the history of the development of the literary art. They have also been so chosen as to convey a somewhat fair idea of the relative value and productivity of authorship in the three great English-speaking communities of the world - the mother countries, our neighbours country, and our own. While a limited space, if nothing else, prevents the collection here made from being a complete anthology, yet it does pretend to represent the authors selected in characteristic moods, and (in so far as is possible in a school book, and a reading text-book) to present a somewhat fair perspective of the...
