

## Football in France: A Cultural History

---

By Geoff Hare

Bloomsbury Publishing PLC, United Kingdom, 2003. Paperback. Book Condition: New. New.. 234 x 162 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.France s performance in the 2002 World Cup brought back painful memories of a time when France was a weak contender in world and European football - a time when national or club teams rarely won, and the French were renowned for having little interest in the game. Today, football plays a unique role in French society. French players and coaches are highly sought after abroad and the national team has chalked up significant recent victories, including a World Cup and European Championship. This book is the first in English to examine the extraordinary cultural, economic, and political history behind French football s development throughout the twentieth century and up to the present day. It focuses on the past twenty years and concludes with a discussion of the fallout from the World Cup 2002. Imported from Britain by the middle classes in the late nineteenth century, football entered French national consciousness between the wars. As with everywhere else in Europe, the game helped to unite communities and forge new social identities. Although the State has...

### Reviews

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
