WHAT S LOVE GOT TO DO WITH IT?: SEVEN STEPS TO SOLVING THE CRISIS IN BLACK MALE/FEMALE RELATIONSHIPS

Createspace, United States, 2012. Paperback. Book Condition: New. Jeremy Prince (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.It is generally perceived that there is a crisis in Black male/female relations in the West . Apart from the seemingly exponential rise (in the UK and to a lesser extent USA) in Afrikans (Blacks) choosing non-Afrikan partners, where Afrikans do choose to engage in intimate relationships with each other these relationships seem to be increasingly fraught with difficulty, conflict and recrimination. In this book renowned author Ifayomi Grant provides a holistic overview of Black Male/Female relationships and most importantly provides solutions for the challenges he identifies. He does this in the following seven steps: STEP 1 - What s it all about? This chapter asks and answers the fundamental question. What is the purpose of a relationship? In particular this question is examined from the perspective of the group, community or society. I identify five key relationship drivers whose impact needs to be understood if relationships are to be viewed from a holistic perspective. STEP 2 - What Went Wrong? In this step I identify eight critical factors that have had a detrimental effect upon Black Male/Female relationships since the 1950s to the present day. There is an extensive examination of one of these factors, economic restructuring, to demonstrate how broader societal changes impact upon individual behaviour. STEP 3 - What is your experience of relationships and what does it tell you about yourself? In this step it is your chance to look honestly at the person in the mirror. To think about your past relationships; and since behaviour is a better indicator of a person s true values than words, to understand what your relationship history tells you about who and what...
