British Museum Press, 4th impression 2004 9780714180649, 2004. Soft cover. Book Condition: New. NEW paperback. From the excellent Reading the Past series. The author is well placed to write this book, as he was formerly Keeper of Greek and Roman Antiquities at the British Museum. The book "introduces the reader to a wide variety of Greek inscriptions on stone slabs and on pottery, bronzes and other small objects in the British Museum and The Metropolitan Museum of Art, New York. Beginning with relatively simple examples consisting wholly or partly of names, it progresses to more complicated texts, some of them in local dialects with distinctive alphabets. They range in date from the seventh century BC to the third century AD."
