By Books Group, Anonymous

Rarebooksclub.com, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1912 edition. Excerpt: . and well adapted to a car of its size and power comprise the list: Electric lights, 12-inch bullet headlights. 6-inch bullet sidelights and a tail light; Warner autometer, Jiffy curtains, Bosch magneto, demountable rims, including one extra rim and a holder; rear view mirror, top, with cover, windshield der dimensions, thermo-syphon cooling and automatic constant level lubrication; its axle-mounted three-speed change gear, center lever control and left drive. The new type Bosch magneto specified(for 1913 equipment is novel in that, by a special design of the pole shoes, sparks of equal intensity may be obtained with two different adjustments of the timing. It is. therefore, strictly a two-speed magneto, one position of the timing lever being employed for starting only, while the other is the regular running position. Another unusual detail is the tilting of the rear, full-elliptic springs. This brings the...

Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

-- **Mr. Grant Stanton PhD**

A whole new eBook with an all new standpoint. It is actually rally fascinating throgh reading through time period. You wont truly feel monotony at anytime of your own time (that's what catalogues are for relating to when you request me).
