National Geographic Kids. Paperback. Book Condition: new. BRAND NEW, National Geographic Readers: Lizards, Laura Marsh, To little kids, lizards are the coolest things ever. From geckos to iguanas, komodo dragons to chameleons, lizards inhabit every continent except Antarctica. Some are lethal. Some change colour. But of all them, whether slippery, slimy, creepy, or crawly seem to fascinate kids! Found in zoos, aquariums, and right in your own garden, these scaly creatures eat bugs, can crawl up walls, and live under rocks. What could be better than that? Filled with fun facts, weird-but-true text, and awesome images, this is a sure-fire hit.
