Dad s Last Hunt, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.My Mom and I didn t start out to write a book. She was keeping journals of Dad s behavior and medications because she is a nurse, and that s what nurse s do. I was writing down my experiences with Dad more as therapy for myself than anything else. Later we decided to pull all of it together and this is the result. The book will bring you through the experiences we had with my Grandpa s Alzheimer s and my Dad s Dementia. It tries to show what it s like to be a part of the downward spiral and the things that caused us anxiety, pain and joy. We also tried to talk about some of the more sensitive topics surrounding Dementia and Alzheimer s. For example, money and who should pay for care, violent behavior and why it occurs, and sex in the retirement home (mentioned sex in hopes that maybe more people will read our story). Below is some of the feedback we have received on our book. I really liked the two different perspectives. The concept of sharing the experiences of the son and the mother is a good one. You have a very moving story to tell. My favorite thing about your story is that it is such a sad and complex issue, but you manage to keep a great sense of humor throughout. I really enjoyed reading this. Your analogies of Gaydar and the Indian Caste system are great ways to get readers to understand what you are trying to convey. Insightful and Profound. The advice for someone with dementia drove me nuts. It is so sad....
