The idea of the book entitled Objective Life Science: MCQs for Life Science Examination was born because of the lack of any comprehensive book covering all the aspects of various entry level life science competitive examinations in particular conducted by CSIR, DBT, ICAR, ICMR, ASRB, IARI, state and National Eligibility Test, but not limited to. Additional previous years solved question papers of the CSIR-UGC NET are also included to get acquainted with India's most competitive entry level exam. The ultimate purpose of this book is to equip the reader with brainstorming challenges and solution for life science and applied aspect examinations. It contains predigested information on all the academic subject of life science for good understanding, assimilation, self-evaluation, and reproducibility.
