## CYBERPSYCHOLOGY

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Cyberpsychology, Alison Attrill, Technology is constantly changing, and with this change and advancement comes changes in human behaviour. Our physical being is becoming increasingly replicated through video-chat and virtual worlds. At the same time it is being carefully crafted and manipulated through the use of photo and video editing tools, through impressions presented on social networking sites, and through the creation of versions of the self that evoke empathy and help...
